

Services to Associate Organizations

REHVA Associate Organizations are organizations, associations or institutions that pursue the same objective as **REHVA**. The benefits for **REHVA Associate Organizations** are multiple, such as networking opportunities with industry leaders and HVAC organizations and having access to most recent technical and educational material in the HVAC field.

By becoming **REHVA Associate Organizations**, organizations, associations or institutions also join reHVAClub - the meeting place where **REHVA Associate Organizations**, Supporters and members at executive level are able to network and develop mutually beneficial exchanges on linking the European Markets with current HVAC Research and Development work.

SERVICES TO ASSOCIATE ORGANIZATIONS INCLUDE:

- Possibilities to develop a network with industry leaders in order to create more opportunities for students (internships) and researcher;
- The **REHVA** Bulletin focusing on new EU policy, regulations and events for our Associate Organizations and Supporters (bi-monthly);
- The name and the web-address' of the **REHVA Associate Organizations** is on the **REHVA** website at www.rehva.eu under heading "REHVA Associate Organizations Members";
- All the **Associate Organizations** are listed in the **REHVA** journal six times a year under heading "REHVA Associate Organizations";
- One free REHVA Journal Paper copy;
- One free access to the REHVA Website Restricted Area;
- 20% to 60% discount when buying Guidebooks paper version;
- 20% discount on list price of extra copies of the REHVA Guidebooks;
- reHVAClub events (annual conference, seminars, cocktails, etc.) are organised for all REHVA Supporters with prominent speakers from commission and other EU-organisations;
